# Bookkeeping Services

For small and medium size customers via the web

- ✓ Better
- ✓ Easier
- ✓ Cheaper
- ✓ Faster

# We can save you more than 50% with higher quality

ClickAccounts is the leading business process provider of accounting and bookkeeping outsourcing services through the web to medium and small customers. ClickAccounts has a high level professional organization. ClickAccounts provides the same quality, cost savings, security, availability and service deliverables provided before only to Fortune 500 customers. We work in partnership with your CFO, Controller and CPA. We enter and maintain all your records for you so your finance department can focus on the strategies of your business.

All organizations need to maintain their financial records in perfect order to manage their core business efficiently. While hiring an accountant or outsourcing from an accounting firm, dependability becomes the primary concern. ClickAccounts provides dependable, efficient and cost effective secure bookkeeping services.

## Your benefits:

- ✂ Save more than 50%.
- ✂ Increase shareholder value by improving receivables and payables.
- ✂ Free your executives to focus on business strategy rather than compliance and bookkeeping tasks.
- ✂ Professional help to maintain compliance with accounting regulations.
